LEARN...

- ...about the health of Johnston Run and its Watershed*
- how watersheds work and why streams become polluted*
-what you can do to help Johnston Run*
-about Johnston Run Waterway Trail*

JOIN US TO...

-care for the natural assets of our community*
-preserve our natural heritage for future generations*

The Johnston Run Revitalization Council, in collaboration with Mercersburg Area Council for Wellness and the local municipalities is working to restore Johnston's Run as a "Living Waterway", inspiring our local communities to be stewards of our natural habitats, and becoming a model for other communities.
